

WHY COMPASS HEALTH NETWORK?

Compass is a strength-based, trauma informed, integrated health system. Operating from the highest ethical and professional standards, we provide access to innovative care designed to meet the health needs of the communities we serve.

INSPIRE HOPE. PROMOTE WELLNESS.

Our Mission, "Inspire Hope. Promote Wellness," is simple but powerful. The power of possibility is reinforced with hope and wellness, and the experience ignites the promise of a better tomorrow.

Our Vision is full, productive, healthy lives for everyone.

“

I want to thank you from the bottom of our hearts for doing routine blood pressure checks. You were integral in us discovering "K" had a bad kidney and we'll be eternally thankful. Thank you so much!"

-Mother of a patient

“

I know without Compass Health, I wouldn't feel I had a support system like I do now!"

-Adult Customer

“

First time here. Staff gets 110% for customer service, professionalism and detail. I am extremely impressed with services offered, the building and cleanliness. I feel so blessed and happy about my visit. Definitely a blessing in my life!

-Adult Customer

We offer accessible, comprehensive health care including community-based behavioral health services and support, substance use disorders treatment, as well as family medicine and dental services.

FIND YOUR PATH
TO BETTER HEALTH
AND WELLNESS

Compass Health[®]
Network

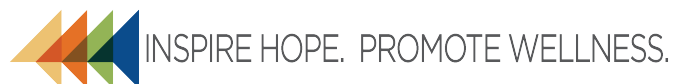

Compass Health Network strives to provide holistic care that integrates behavioral health, medical and dental care into one comprehensive, individualized recovery plan. We utilize the eight domains of wellness to explore areas of opportunity and examine new meaningful connections of support. We believe our customers have limitless potential and can contribute so much to their communities.

BEHAVIORAL HEALTH

Compass offers a full continuum of behavioral health services including psychiatry, therapy (individual, group, and family), psychological testing, school-based and community-based case management services for children, adolescents, and adults. Our behavioral health programs are designed to assist individuals and families experiencing a behavioral health concern gain information, understanding and increase access to available services. Recovery is possible, and we can help.

SUBSTANCE USE DISORDERS TREATMENT

Compass utilizes an individualized, holistic approach for substance use disorders treatment and may include outpatient counseling or an intensive residential program providing all aspects of addiction recovery in a safe, comfortable and healthy environment.
