PAYMENT OPTIONS

Compass Health Network accepts cash, check or debit/credit card as payment for services rendered. We also accept payments through our website, compasshealthnetwork.org by clicking PAYMENT at the top right of our homepage.

INSURANCE

Compass Health is committed to reducing barriers to quality care, including financial challenges. Therefore, we accept Missouri Medicaid, Medicare, and most large commercial insurance plans, in addition to offering a discounted fee schedule for those who qualify. Our office staff are happy to work with you to evaluate the payment arrangements that work best for you and your family.

SLIDING FEE PROGRAM

Compass Health Network's sliding fee program is designed to reduce barriers to accessing health services by offering outpatient services at a discounted fee to those who qualify. Visit our website for a Sliding Fee Scale Eligibility Application and additional information:
