

FIND YOUR PATH TO
BETTER HEALTH AND WELLNESS

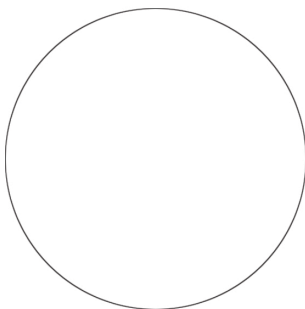

Compass Health[®]
Network

Would you like to start getting better healthcare?
We can help!

- ☒ Help you find a family doctor if you don't already have one
- ☒ Help you schedule and keep doctor appointments
- ☒ Help you keep track of your medicine and other medical treatments
- ☒ Help you work with all the healthcare providers who take care of you and make sure doctors and nurses are working together
- ☒ Provide you with education to increase overall health and wellness
- ☒ Help you obtain behavioral health or any type of special medical care you might need
- ☒ Help you get access to and stay in housing
- ☒ Help you get access to and keep other social service benefits in your community

TURN OVER TO LEARN MORE!

We have a caring team of health professionals ready to help you get quality healthcare you need to manage your illnesses and start feeling better.
